SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

March 31, 2004

TO THE COMMISSIONER FOR PATENTS:

Applicants are aware of the information listed in the attached form that may be material to the prosecution of the above-identified patent application.

1. X The enclosed Japanese Publication No. 51-25710 **B1** (which is not in the English language) was previously enclosed with the Information Disclosure Statement filed concurrently with the above-identified application. However, the English abstract related to a different Japanese publication, No. 51-25710 **A**, was inadvertently listed as Cite No. F1 and was identified as being the abstract of Publication No. 51-25710 **B1**. To correct this oversight, Japanese Publication No. 51-25710 **B1** is being resubmitted as Cite No. F1 and a concise explanation of the relevance of said publication, as presently understood by the individual designated under 37 C.F.R. § 1.56(c) most knowledgeable about its content, is provided in the accompanying PCT search report indicating the degree of relevance.
2. X Pursuant to 37 C.F.R. § 1.97(b), this Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits.

Respectfully submitted,
